### ***NEW!! NOACC Chamber Benefit Webpage***

*Has it been difficult to keep up with NOACC Benefit changes on your chamber's website? Maybe this will help.*

**If your chamber would like to promote all\* the NOACC Benefits**, we've created a page that can be linked from your website. Just add this link [NOACC Chamber Benefits](http://noacc.org/NOACCBenefits.htm) <http://noacc.org/NOACCBenefits.htm> to the NOACC Member logo (see below) or on your Member Benefits page and/or on your "Resource or Useful Links" pages. **OR....**

**If your chamber is ONLY promoting Anthem Blue Cross and Blue Shield** you can link directly to the Anthem Chambersaver Free Quote Form by linking the Anthem Banner ad (below) to <http://www.chambersaver.com/noacc/> :

[ChamberSaver Banner Ad-Long](#)   or   [ChamberSaver Banner Ad-Wide](#)

Add either ad to the front page of chamber website or Benefits or Members page (or all.) All inquiries will be identified with your chamber's name and given to the Anthem agent in your area for follow-up.

*Add the NOACC Member Logo to your Chamber's website.*

## MCO Open Enrollment Deadline is May 30th.

During this year's managed care organization (MCO) open enrollment period May 5-30, NOACC is once again exclusively endorsing University Hospitals CompCare to provide respected and highly efficient workers' compensation managed care. Ask your businesses to download and fill out the [NOACC MCO 2008 Employer Open Enrollment Form](#) as soon as possible and fax it to 1-216-201-8851.

University Hospitals CompCare knows our companies, our industries and our people, and as a result, simplifies and streamlines the managed care process and gets employees back to work. If you would like more information about choosing University Hospitals CompCare as your MCO click here to open the [MCO Fact Sheet on UH CompCare](#) or call 1-800-818-7273 for more help.

There is NO COST in choosing University Hospitals CompCare as your MCO....but time is limited. The deadline is May 30th.

If a company is already enrolled with University Hospitals CompCare, they've already made the right choice and don't need to do anything.
