President's Message

September was a very busy month for the Chamber. DeVore Technologies kicked off the program schedule for Fall with an informational presentation on Information Technology. It was followed by an excellent *Business After Hours* at their location. Additionally, they are hosting free computer training for chamber members.

This month's program features Rebecca Corrigan and Bob Reid from the City of Bedford who will speak on *The Future Economic Development in Bedford*.

We are trying to put together a multi-chamber event for our next monthly meeting. This will be an opportunity for businesses to network with other surrounding chambers. Stay tuned.

“Take the Legislative Survey: Prior to returning home in June for their summer recess, Ohio lawmakers completed work on the state’s 2006-2007 biennial budget, which included an overhaul of the state’s tax structure. As we prepare to advocate for the best interests of Ohio’s businesses in the months ahead, the Ohio Chamber would like to know your opinion on some of the key business issues facing our state. Please take a moment to complete our brief online survey at www.ohiochamber.com”
